

OBJECTIVE OF THE WORKSHOP

CORSIA: a planned approach to be coordinated with
SA, AO, NAB, VB

Stephen ARROWSMITH, Chief Expert on Environmental Protection – EASA

Working for quieter and cleaner aviation.
Your safety is our mission.

*EU-South East Asia Aviation Partnership Project (EU-SEA APP)
This project is funded by the European Union and implemented
by the European Union Aviation Safety Agency - EASA*

An Agency of the European Union 

EU/EASA and ASEAN STATES

We aim to walk the CORSIA
path together with all of you so
we arrive ready for the next
ICAO's deadlines in 2020 and
2021.

An Agency of the European Union 

WHY THIS WORKSHOP?

To socialize and network
between all stakeholders that
have a critical role in
implementing CORSIA:

- State Authorities
- National Accreditation Bodies
- Aeroplane Operators
- Verification Bodies

An Agency of the European Union 

WHY THIS WORKSHOP?

To understand the current
context on CORSIA
implementation in the ASEAN
region in order to provide ad-hoc
support to a State based on their
specific readiness and needs.

An Agency of the European Union 

WHY THIS WORKSHOP?

To share challenges and success stories from States in the EU and ASEAN regions when implementing CORSIA.

An Agency of the European Union 

WHY THIS WORKSHOP?

To support the 'No Country Left Behind' initiative by assisting ASEAN States in implementing Standards and Recommended Practices (SARPs) such as the CORSIA ICAO Annex 16 Volume IV.

An Agency of the European Union 

WHY THIS WORKSHOP?

To begin to plan and tailor the next 3-year work/programme on CORSIA with you in order to meet your needs.

Work programme is flexible to reflect and support your evolving needs over this period.

An Agency of the European Union 

OUTCOME OF THIS WORKSHOP

To facilitate the coordination between State Authority, National Accreditation Body (NAB) and Verification Bodies (VBs) when working together on CORSIA implementation.

NABs and VBs are the new actors in the aviation sector, and there is a need to work together to strengthen their knowledge.

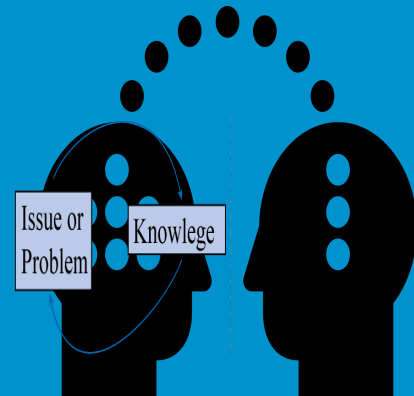

COORDINATION

An Agency of the European Union 

OUTCOME OF THIS WORKSHOP

To understand the existing knowledge of ASEAN National Accreditation Bodies and Verification Bodies, and future needs, in order to jointly develop an ad-hoc training programme for critical path issues.

An Agency of the European Union 

OUTCOME OF THIS WORKSHOP

To support the commitment of all ASEAN States in meeting the upcoming deadlines within the CORSIA ICAO SARP by facilitating the implementation process.

An Agency of the European Union 

OUTCOME OF THIS WORKSHOP

To plan with you future EU/
EASA's activities in the region to
reflect ASEAN needs and
challenges.

Want
vs.
Need

An Agency of the European Union 

SUMMARY

Use this workshop:

- as an opportunity to discuss your challenges and successes
- to consider how to scale up your commitment towards CORSIA;
- to assess the support you need to be ready for the next CORSIA steps;
- to learn from experiences in the EU and ASEAN region, how certain problems have been resolved and if this would transpose across to your own State.

An Agency of the European Union 

SUMMARY

EU Member State and EASA expertise is available to work with you to scale up the level of knowledge and commitment to meet the CORSIA ICAO SARP requirements.

Please do not hesitate to contact the EASA environmental expert in the region.
